Total		\$ _____	\$ _____	\$ _____

The volleyball "Spirit Pack" includes the practice uniforms and travel gear that the coaches would like each new and returning player to have. It also includes the player cost for team dinners and the end-of-the-season banquet, as well as a contribution to senior and coaches gifts, snack bar supplies, and a Catch the Wave team sponsorship. The cost of the pack varies by team and by player depending on the items required by each coach and the optional items purchased by each player.

The spirit pack is a required purchase for all players who make the varsity, junior varsity, or frosh/soph teams. Please make checks payable to PVHS ASB and submit to Head Coach Pinter no later than Tuesday, August 18st. Spirit pack apparel will be distributed to players before the season begins.
