**Dear Parents/Athletes:**

**Palos Verdes High School athletics have enjoyed tremendous success since the school re-opened capturing 50 League championships, 6 CIF titles and 1 State championship!**

**The girls basketball program has contributed to that success with 2 League championships and is striving to add a third in the always tough Bay League while always setting its sights on a CIF championship. The Lady Sea Kings are currently ranked in the Top 16 in the latest CIF Division IIIA poll.**

**All girls interested in playing basketball are encouraged to enroll in our summer program. We invite you to join us as we continue “Building on a Tradition of Excellence” as you become a part of the PVHS athletic family. The girls basketball summer program and class will begin June 14<sup>th</sup> and run through July 23<sup>rd</sup>. The program will highlight teaching fundamentals while playing in summer leagues and tournaments in preparation for the 2010-2011 season.**

**We have highly motivated and dedicated coaches that will demand excellence on the court, in the classroom and in life. I can assure you we will “Play Hard, Play Smart, and Play Together!”**

**Yours in basketball,**
