A \$25 FEE WILL BE CHARGED FOR ALL REFUND REQUESTS

ATTENTION INCOMING FRESHMAN BOYS:

Are you athletic, quick, **SCRAPPY**, a jumper, *fast*, **STRONG**, aggressive, or a combination of any of those things?

Have you played basketball, soccer, tennis, baseball, football, etc., but want something new or a sport for the off-season?

Did you watch the US Olympic indoor and beach Gold Medal VOLLEYBALL teams **crush balls at 75 miles an hour**, and wonder if you could do it?

Are you looking for a spring high school sport where you can use your athletic ability in the gym or at the beach, hang with a cool group of guys, and get top-level coaching?

VOLLEYBALL is a sport where athletes often excel, and go on to play in college and internationally, even if they've never tried it before high school!!

This summer is a great chance to try it out, improve your skills if you've played before, or learn to play it the right way even if you've never tried it before. Find out if this is right for you. Join the Palos Verdes HS Boys Volleyball Program for their Summer Camp starting the week of June 16, on the brand new beach courts and facilities at PVHS. The application is attached. Email it to Coach Lynch and call if you have any questions.
